THE YPC TEXAS HOLD'EM POKER TOURNAMENT AND NETWORKING EVENT THURSDAY, NOVEMBER 3, 2011

*Developing networks among the next generation of professionals
in the venture capital and private equity community.*

WHO: The Young Private Capitalists, a committee of the CVCA, is dedicated to fostering relationships among the next generation of professionals working in all aspects of venture capital and private equity investing in Canada. Our goal is to organize numerous networking events that will attract representation from a cross-section of Canada's most elite firms.

WHAT: The YPC Texas Hold 'Em Poker Tournament and Networking Event. Join your peers from the investment community for a great evening of networking, poker and pool. There will be finger foods and drinks served and prizes will be awarded for the top three finishers in the poker tournament.

For those interested in attending the event please fill out the attached registration form and indicate whether or not you wish to participate in the poker tournament. If you play in the poker tournament there will be a \$45 registration fee, otherwise there will be no charge.

Space for the poker tournament is limited so registration will initially be limited to two individuals per company. Registrants above two per company or who submit their form after the maximum number of tournament participants has been reached will be placed on a waiting list and contacted if space becomes available.

WHERE & WHEN: Thursday, November 3, 2011 at The Charlotte Room (www.charlotteroom.com) located at 19 Charlotte St (near Adelaide and Spadina) from 6:30 p.m. onwards. Note – tournament starts at 7 p.m. sharp.

WHY: There is an unmet need for an organized networking community within the non-partner ranks of Canada's Venture Capital and Private Equity community. To that end, the mandate of the YPC is to co-ordinate social networking events that will facilitate the development of a strong community for the next generation of professionals involved in venture capital and private equity investing in Canada.
